SUBJECT: *REGION 6* ITA/ETP ROAD SHOW, JANUARY 17-18, 2001

The purpose of this information bulletin is to alert Workforce Investment Act (WIA) partners about an upcoming employment and training opportunity announced by *Region 6* of the United States Department of Labor, Employment and Training Administration (DOL/ETA). On January 17-18, 2001, *Region 6* will host an "ITA/ETP Road Show" at the Wilshire Grand, located at 930 Wilshire Boulevard in Los Angeles. This one and one-half day session is designed to provide State and local area partners with options and choices related to the implementation and management of Individual Training Account (ITA), Eligible Training Provider (ETP), and Consumer Report System requirements. Focus will be on specific topics of importance in the region, as identified through the needs assessment that was conducted in October 2000. The session will primarily focus on policy-related issues and will involve some group participation.

Region 6 does not plan to charge a registration fee for the event, which will begin at 8:30 a.m. on January 17 and end at 1:30 p.m. on January 18, 2001. Although the event is still being planned and additional information will be forthcoming at a later date (including registration information and a final agenda), DOL/ETA is taking this early opportunity to encourage interested individuals at the State and local levels to mark their calendars.

Please direct questions about the training session to Betty Lock at *Region 6*, (206) 553-4543, extension 8022, block@doleta.gov.
